

NEW!

Adjustable Face Shields

In stock now

Shield only. Glasses and other shown equipment not included.

Specially designed to accommodate **surgical loupes and headlights, prescription glasses, or safety glasses**, this clear, adjustable face shield sits off the face. Lighter weight and more comfortable than a forehead-mounted shield with the same full-face protection. Perfect for the whole office, including medical providers and front desk staff. Polybag contains 12 shields with corresponding sides.

Features

- ▶ Easy three-piece assembly
- ▶ Can be sanitized, replaced, or discarded
- ▶ Lightweight for comfortable extended wear

Additional Details

- ▶ Tested to ANSI/ISEA Z87.1-2015 standards
- ▶ Open-top design prevents voice dampening
- ▶ Three adjustable positions for best fit
- ▶ Adjustable side arms to fit most styles of glasses
- ▶ Suitable for use with surgical headlamps
- ▶ Keeps hair and makeup intact
- ▶ Made of clear, 7 mil PETG
- ▶ Made in the USA

Fits safety & prescription glasses, too!
